Apple has created a mobile arcade to defeat all mobile arcades, and we are delighted! Apple Arcade showcases more than 100 new games - some of them even exclusive to Apple Arcade. It's available on iPhone, iPad, Mac and Apple TV. So if you're an Apple user on any device, you can take advantage of this gaming subscription! This is the complete list (in alphabetical order) of all the Apple Arcade games you can play right now. New games are coming out for Apple Arcade all the time. Here's what's new at Apple Arcade this month! Set 8,000 years before the HBO series, Game of Thrones: The Tale of the Crows is a narrative of downtime games, meaning things happen in Westeros even if you don't play the game. You will need to make decisions and shape the course of history in real time! Play Game of Thrones: A Tale of Crows This beautiful and relaxing puzzle game will have you guide the monster around a series of islands on an exploration mission. You can just learn a thing from two things about mysterious people as a monster roams the world! Play Monster Expeditions Roll Around as Marble Knight tries to save the Kingdom of Roundingham from the evil Lord Terriball - I'm kidding, no! This cute adventure game will have you solving puzzles, fighting bad guys with different skills and abilities. Get your adventure on a roll with Marble Knights! Play Marble Knights Featured Apple Arcade Game More team likes Apple Arcade, but some games stand above the rest. Here are a few games that we think everyone should check out. There are new Apple Arcade games being added to the gaming service all the time, and sometimes, we get a bit of a preview of what's to come. Here are all the games that we know will be coming to Apple Arcade in the future! Wonderland: The Adventure Maker Wonderland is a unique take on Minecraft and Roblox-like genre, where players will have players pass a beautiful diorama known as boxes. Each box is created with a certain part of the journey in mind and you will face numerous challenges, enemies and puzzles. What's really cool is the Creator mode, which will allow players to create their own levels. Characters, objects, various blocks - it's all yours to make it your own adventure! All Apple Arcade Games A Fold Apart Navigate world of long-distance love, folding this world in all kinds of ways. This emotional story-driven puzzle game has amazing handmade visuals.
